

Tonya Harris

HCIS Training and Support Manager

804-343-2045 x14
tharris@homewardva.org

Tonya Harris has been the Training and Support Manager for Homeward Community Information System (HCIS) since October 2005. In this role Tonya delivers training for all HCIS users in the region and throughout Virginia, manages HCIS implementations, and provides support to the human service agencies in utilizing the HCIS to its full capacity. Before Homeward, Tonya spent four and a half years with Richmond Goodwill as the Instructor/Case Manager for the Computer Edge Program. Prior to Goodwill, Tonya was employed with Chesterfield County Government as the instructor for county employees.

Tonya has a Bachelor's degree in Psychology and a Post Baccalaureate in Information Systems, both from VCU. She recently attained her Masters in Human Services from Capella University.
